# Policies & Regulations Search Utility: Areas & Keywords

## Air and Climate Change

- Benzene
- Carbon monoxide
- CO<sub>2</sub> storage
- Fuels
- Greenhouse gases
- Heavy metals
- Industrial Emissions
- Large combustion plants
- Non-road mobile machinery
- Ozone
- Particulate matter
- Polycyclic aromatic hydrocarbons
- Road vehicles
- Ships
- Sulphur
- Urban air quality
- Volatile Organic Compounds
- Waste incineration

## Water

- Bathing Water
- Drinking Water
- Floods
- Groundwater
- Irrigation
- Marine environment
- River basins
- Ships
- Water reuse
- Water scarcity
- Water/wastewater treatment

## Biodiversity

- Bats
- CAP
- Endangered species
- Forest
- Green Infrastructures
- Habitat Banking
- Invasive alien species
- Marine environment
- Migratory species
- Rural land

## Waste and Resource efficiency

- Circular economy
- Construction and Demolition waste
- Electric and Electronic Equipment
- End of Life Vehicles
- Incineration
- Landfilling
- Mining
- Municipal solid waste
- Packaging waste
- Raw materials
- Sewage sludge
- Shipments of waste
- Sustainable food

## Chemicals

- Batteries
- Biocides
- Detergents
- Fluorinated compounds
- Labelling and regulation
- Mercury
- Metals
- Organics
- PCBs
- POPs
- REACH

## Energy Efficiency and Renewables

- Biofuels
- Biomass
- CCS
- Cogeneration
- Eco-construction
- Eco-design
- Eco-labelling
- Geothermal energy
- Hydro power
- Hydrogen
- Smart grids
- Solar energy
- Wind power

## Noise

- Noise

## Soil

- Soil quality

## Green Commerce, Legislation and transversal issues

- Eco-construction
- Eco-design
- Eco-Management and Audit Scheme
- Emissions Trading System
- Environment information and observation
- Environmental Impact Assessment - EIA
- Environmental Technology Verification
- Financing
- Green jobs
- Green Products
- Habitat banking
- Life Cycle Analysis
- Subsidies
- Taxes
